Dr. Susan O'Donnell:

Subject: Request for Information under the *Right to Information and Protection of Privacy Act* – 2324-RTI-028 – Nuclear Energy

We have reviewed your request received on July 19, 2023 under the *Right to Information and Protection of Privacy Act*.

NB Power has recently submitted a registration document entitled ARC Clean Technology Advanced Small Modular Reactor - Commercial Demonstration Unit for review in accordance with the *Environmental Impact Assessment Regulation* under the *Clean Environment Act*. This document references several of the topics listed in your request (including proliferation and enriched uranium). A copy of the document is publicly accessible at the following link:

<https://www2.gnb.ca/content/dam/gnb/Departments/env/pdf/EIA-EIE/Registrations-Engestremets/documents/eia-registration-1618.pdf>

No additional records were discovered during the search of the Department's record holdings which mention the specific topics listed in your request.

If you are not satisfied with this decision, you may file a complaint with the Office of the Ombud as per subparagraph 67(1)(a)(i) by submitting the appropriate form **within 40 business days** of receiving this response or refer the matter to a judge of the Court of King's Bench as per paragraph 65(1)(a) by submitting the appropriate form **within 40 business days** of receiving this response. The complaint and appeal forms can be found at the following link:

https://www2.gnb.ca/content/gnb/en/departments/finance/office_of_the_chief_information_office_r/content/rti.html

If you have any RTIPPA related questions regarding the documentation that has been provided in response to your request, you may contact Colin Heighton at 506-429-2430 or elg.access.egl@gnb.ca.

Sincerely,

A handwritten signature in blue ink, appearing to read "for Charbel Awad".

Charbel Awad
Acting Deputy Minister
Environment and Local Government
